

ONGC to Invest ₹2 lakh cr to Meet Net-Zero Target

New Delhi: Oil and Natural Gas Corporation (ONGC) will invest ₹2 lakh crore to reach its net-zero emissions target by 2035, said its chairman Rajiv Saxena.

Half of the required ₹2 lakh crore investment will be made by ONGC, while the remaining will be shared with its partners, he said.

The company plans to invest in a range of green projects, including solar, wind, hydrogen, and carbon capture, he said.

ONGC will build oil production in its EoB basin, field from October to 2024, said Rajiv Kumar, director of operations.

The company is set to create about 800 million of equivalent from its nuclear projects, and ONGC's investment in nuclear is ₹1,000 crore, he said.

JSW Steel's Proposal to Buy Foreign Coal Asset Turns Focus on Future

Steelmaker seeks to buy 20-40% stake in Canada-based co's metalurgical coal unit

New Delhi: JSW Steel has filed a proposal to buy a minority stake in a coal asset owned by a Canadian-based steel producer. The company's level now sits on the international commodity market to boost profitability through cost-cutting and expansion.

India's largest steelmaker is reportedly planning to buy 20-40% stake in Canada-based steel producer's coal asset, it is said. The company is planning to buy a stake in Elk Valley Resources for a stake of \$80 million, along with a 20-40% stake in the coal asset.

The acquisition of JSW Steel is not an acquisition, he said. The company is planning to buy a stake in Elk Valley Resources for a stake of \$80 million, along with a 20-40% stake in the coal asset.

Looking to Expand
JSW Steel's current focus is on expanding its capacity to 37.7 MT of steel in the domestic market.

CD HAS OIL IN A CAPEX OF NEARLY ₹52,000 CR IN 2023-24, OF WHICH AROUND ₹12,500 CR IS earmarked FOR NEW GROWTH, COST SAVINGS AND MINING PROJECTS

The investment in the coal asset provides JSW Steel with a natural hedge against coal price volatility, he said.

JSW Steel's coal production is currently around 1.5 million tonnes per annum, but he said that the company has been an issue with the company because of the coal price volatility, he said.
